Dear Students,

On behalf of all the Faculty Members of our college, I heartily welcome you to the new Academic Session 2020-21 of our college. This year owing to the current pandemic situation that exists all around us, it is not possible for us to meet you in person and interact with you physically. Hence, we have decided to host a **Student Interactive Program** which will be conducted virtually through **Google Meet** platform on **21.09.2020** from **12pm** onwards. For this we have created separate Meeting Links for every individual Department.

By clicking this link, the students would be able to directly meet the respective Teachers of their Departments, interact with them virtually and would be able to know all the necessary details of their course program.

I hope this initiative of the college would help all the students and we would be able to create stronger academic bonds with everyone.

Thanks,

Sudipta Das
