**H. Outcome of the Seminar:** A One Day State Level Seminar on “Application of Differential Equations in Real Life” was organized by the Department of Mathematics, Government General Degree College Chapra on 28.09.2018. It started with the welcome address by Dr. Subhasis Panda, Honourable Principal of the College. Sri Indrajit Halder, Assistant Professor, Department of Mathematics, Kanchrapara College, was the Resource Person in the said seminar. He talked to all the students of the College in a very simple way that what is Differential Equations, some easy known ways to solve some particular form of differential equations and using it how we could benefit in our real life. Also, how it has really big application area in marketing, technologies etc. The target audience was enjoyed the topic as it is new to most of them and also very interesting and after the seminar there was a fruitful Q&A session. The seminar ended with a vote of thanks by Dr. Asim Kumar Das, Department of Mathematics, GGDC Chapra. The seminar was a grand success.
