H. Outcome of the Seminar: A one-day state-level seminar on "UBUNTU: A BETTER ALTERNATIVE TO WINDOWS OPERATING SYSTEM" was organized by Government General Degree College, Chapra on 18.04.2022. It started with the welcome address by Dr. Subhasis Panda, Honorable Principal of Government General Degree College, Chapra. Dr. Bishwajit Paul, Assistant Professor, Department of Physics, Krishnagar Government College, was the resource person for the seminar.

Dr. Paul delved into the benefits and features of the Ubuntu operating system, highlighting its open-source nature, security advantages, and user-friendly interface. He compared Ubuntu with the Windows operating system, emphasizing why Ubuntu can be considered a better alternative for various users, including researchers, developers, and everyday users.

His talk was followed by a stimulating interactive session where attendees posed numerous questions regarding the installation, customization, and software compatibility of Ubuntu. Dr. Paul provided insightful answers and practical solutions, which were greatly appreciated by the audience.

The audience was thoroughly engaged with his clear and informative delivery, enriched with practical demonstrations and relatable examples that made the concepts easy to understand. The seminar concluded with a vote of thanks by Sri Sudipta Das, IQAC Coordinator & HoD of the Department of Physics. The seminar was deemed a grand success, with attendees expressing high satisfaction with the content and delivery of the session.
